Driver in Fatal Prince William County Crash
Apprehended in Fauquier County

A Fauquier County Sheriff's deputy located an individual wanted in connection with a fatal crash in Prince William County that occurred early yesterday morning. Responding to a call from a citizen about a suspicious person walking and jogging on Blantyre Road, Master Deputy Wesley Frost located a male walking near the intersection with Blackwell Road at approximately 1PM, Monday, February 12, 2018.

Earlier in the morning the Sheriff's Office received a look-out from Prince William County Police advising they were searching for the driver of a vehicle who fled the scene of a fatal crash on James Madison Highway in Prince William. The driver, passenger and the deceased all had a Warrenton, Virginia address.   The individual Master Deputy Frost located matched the description of the driver Prince William Police were searching for.

After asking this individual a series of questions, Deputy Frost detained the individual and notified Prince William Police. The individual was then taken to the Fauquier County line and turned over to Prince William authorities.

Prince William Police have issued an updated press release identifying the individual located in Fauquier County as Vincente Martir Vides Vasquez, 21, of Jackson Street in Warrenton. According to the release, Vasquez is charged with involuntary manslaughter, hit and run causing death and driving without a license.

This apprehension is the direct result of an alert citizen and good team work by law enforcement!
